### § 234.2 Landing requirements.

(a) *Place of landing.* Aircraft carrying passengers or crew required to be inspected under the Act shall land at the international air ports of entry enumerated in part 100 of this chapter unless permission to land elsewhere shall first be obtained from the Commissioner of Customs in the case of aircraft operated by scheduled airlines, and in all other cases from the district director of Customs or other Customs officer having jurisdiction over the Customs port of entry nearest the intended place of landing.
